6.5. Any dates quoted for delivery of the Hardware are approximate only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay (or failure) in delivery of the Hardware that is caused by the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Hardware.

6.6. If the Customer fails to accept or take delivery of the Hardware, then (except where such failure or delay is caused by the Supplier's failure to comply with its obligations under the Agreement) in respect of the Hardware:

6.6.1. delivery of the Hardware shall be deemed to have been completed at 9.00 am on the first business day following the day on which the Supplier notified the Customer that the Hardware was ready; and

6.6.2. the Supplier shall store the Hardware until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).

6.7. If ten (10) business days after the Supplier notified the Customer that the Hardware was ready for delivery the Customer has not accepted delivery, the Supplier may (without prejudice to any other rights or remedies) resell or otherwise dispose of part or all of the Hardware.

6.8. The Customer shall not be entitled to reject the Hardware if the Supplier delivers up to and including five (5) per cent more or less than the quantity of Hardware ordered, but a pro-rata adjustment shall be made to the relevant invoice on receipt of notice from the Customer that the wrong quantity of Hardware was delivered.

6.9. The Supplier may deliver the Hardware by instalments, which shall be invoiced and paid for separately. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

6.10. The Supplier shall use its reasonable endeavours to pass on to the Customer the benefit of any manufacturer's warranty regarding the relevant Hardware.

6.11. The Supplier warrants that on delivery, the Hardware shall:

6.11.1. conform in all material respects with the relevant specification (if any) set out in the Supplier's written quote or as otherwise agreed in writing with the Supplier; and

6.11.2. be free from material defects in design, material and workmanship.

6.12. Subject to clause 6.13, if:

6.12.1. the Customer gives notice in writing within a reasonable time of discovery that some or all of the Hardware items do not comply with the warranty set out in clause 6.11;

6.12.2. the Supplier is given a reasonable opportunity of examining such Hardware; and

6.14. Except as provided in this clause 6, the Supplier shall have no liability to the Customer in respect of the Hardware's failure to comply with the warranty set out in clause 6.11.

6.15. The terms of the Agreement shall apply to any repaired or replacement Hardware items supplied by the Supplier under clause 6.12.

6.16. The risk in the Hardware shall pass to the Customer on completion of delivery.

6.17. Title to the Hardware shall not pass to the Customer until the Supplier receives payment in full (in cash or cleared funds) for the Hardware and any other goods that the Supplier has supplied to the Customer in respect of which payment has become due, in which case title to the Hardware shall pass at the time of payment of all such sums. For the avoidance of doubt, title relates only to the physical Hardware and not to any Software (and/or any software as may be embedded within the Hardware) provided by the Supplier, or any third party licensor, as it is only ever licensed to the Customer in accordance with the terms of the Agreement.

6.18. Until title to the Hardware has passed to the Customer, the Customer shall:

6.18.1. store the Hardware separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property;

6.18.2. not remove, deface or obscure any identifying mark or packaging on or relating to the Hardware;

6.18.3. maintain the Hardware in satisfactory condition and keep them insured against all risks for their full price on the Supplier's behalf from the date of delivery;

6.18.4. notify the Supplier immediately if it becomes subject to any of the events listed in clauses 12.1.3 to 12.1.11; and

6.18.5. give the Supplier such information relating to the Hardware items as the Supplier may require from time to time.

6.19. If, before title to the Hardware passes to the Customer, the Customer becomes subject to any of the events listed in clauses 12.1.3 to 12.1.11, then, without limiting any other right or remedy the Supplier may have:

6.19.1. the Customer's right to use them in the ordinary course of its business ceases immediately; and

6.19.2. the Supplier may at any time: (i) require the Customer to deliver up all Hardware in its possession; and (ii) if the Customer fails to do so promptly, enter any sites where the Hardware items are stored in order to recover them.

7. CHARGES AND PAYMENT

7.1. The Customer shall pay the Service Charges.

7.2. The Service Schedule details whether the Service Charges are to be calculated on a time and materials basis, a fixed price basis, a combination of both or by applying some other pricing model.

7.3. Clause 7.4 applies if the Supplier provides Services on a time and materials basis. Clause 7.5 applies if the Supplier provides Services for a fixed price. shall be set out in the Supplier's written quote or as otherwise agreed in writing with the Supplier.

7.4. Where Services are provided on a time and materials basis:

7.4.1. the charges payable for the Services shall be calculated in accordance with the Supplier's standard daily fee rates, as identified in the Supplier's quote or as otherwise agreed in writing with the Supplier (as may be amended from time to time by the Supplier giving not less than thirty (30) days' written notice);

7.4.4. the Supplier shall ensure that every Supplier Engineer that it instructs completes time sheets recording time spent delivering the Services, and the Supplier shall use such time sheets to calculate the charges included in each monthly invoice referred to in clause 7.4.5; and

7.4.5. Subject to clause 7.14, the Supplier shall invoice the Customer monthly in arrears for its charges for time, expenses and materials for the month concerned, calculated as provided in this clause 7.4. Each invoice shall set out the time spent

by each Supplier Engineer whom it engages on the Services and provide a detailed breakdown of any expenses and materials, accompanied by the relevant receipts.

7.5. Where Services are provided on a fixed price basis, the total price for the Services shall be the amount set out in the Supplier's written quote or as otherwise agreed in writing with the Supplier.

7.6. Any fixed price and/or daily rate as identified in the Supplier's written quote or as otherwise agreed in writing with the Supplier excludes:

7.6.1. the cost of hotel, subsistence, travelling and any other ancillary expenses reasonably incurred by the Supplier Engineers whom the Supplier engages in connection with the Services, the cost of any materials and the cost of services reasonably and properly provided by third parties and required by the Supplier for the supply of the Services. Such expenses, materials and third party services shall be invoiced by the Supplier at cost; and

7.6.2. VAT, which the Supplier shall add to its invoices at the appropriate rate.

7.7. The Customer shall pay each invoice submitted by the Supplier, in full and in cleared funds (without deduction or set-off) to a bank account nominated in writing by the Supplier within thirty (30) days of the date of such invoice.

7.8. Without prejudice to any other right or remedy that it may have available to it, if the Customer fails to pay the Supplier on the due date, the Supplier may:

7.8.1. charge interest on such sum from the due date for payment at the rate of four percentage points a year above the Bank of England's base rate, accruing on a daily basis and being compounded quarterly until payment is made, whether before or after any judgment, and the Customer shall pay the interest immediately on demand (or, at its option, the Supplier may claim interest under the Late Payment of Commercial Debts (Interest) Act 1998); and/or

7.8.2. suspend the performance of any and all Services (without any liability to the Customer or any Service Recipient) until payment has been made in full.

7.9. Time for payment shall be of the essence of the Agreement.

7.10. Notwithstanding any provision in the Agreement to the contrary, all sums payable to the Supplier under the Agreement shall become due immediately on its termination. This clause 7.10 is without prejudice to any right to claim for interest

under the law, or any such right under the Agreement.

7.11. The Supplier may, without prejudice to any other rights it may have, set off any liability of the Customer to the Supplier against any liability of the Supplier to the Customer.

7.12. Where the Customer is purchasing Hardware, software licences, Services and/or the supply and use of Equipment for the benefit of a number of Service Recipients the date of actual receipt of Services, software licences and/or delivery and installation of Equipment and/or Hardware may not be uniform across all Service Recipients, and accordingly Service Recipients will likely receive the benefit of the same at various points following the Commencement Date.

7.13. For the purposes of clause 7.14, Service Recipients who have received the benefit of the Services, software licences, Equipment and/or Hardware are referred to as “**Actual Service Recipients**”, and those who have not yet received the benefit of the same are referred to as “**Pending Service Recipients**”.

7.14.1. for the first Contract Year, the Supplier shall be entitled to invoice the Customer in advance, immediately following the Commencement Date, for all Service Charges due in respect of all Service Recipients in the first Contract Year, on the basis that all Service Recipients are deemed to be Actual Service Recipients on or immediately following the Commencement Date;

7.14.2. where the Term exceeds 12 months:

7.14.2.1. for the second Contract Year, the Supplier shall adjust the Service Charges, on a pro rata basis, to reflect any period in the first Contract Year during which any Service Recipients were Pending Service Recipients; and

7.14.2.2. for the third and subsequent Contract Years, the Supplier shall be entitled to invoice the Service Charges in full, in respect of all Service Recipients; and/or

7.14.3. where the Term is only 12 months (or less), then at the expiry of the Term, the Supplier shall issue the Customer with a credit note in respect of the Service Charges on a pro rata basis, equivalent to the period during the Term that any Service Recipients were Pending Service Recipients.

8. INTELLECTUAL PROPERTY RIGHTS

8.1. As between the Customer and the Supplier, all Intellectual Property Rights and all other rights (including, any arising rights) in respect of the Services, Documents provided by the Supplier and the Pre-existing Materials shall be owned by the Supplier. Subject to clause 8.2 and the Service Schedule, the Supplier licenses all such rights to the Customer on a personal, non-exclusive and non-transferable basis to such extent as is necessary to enable the Customer to receive the Services. If the Agreement terminates, this licence shall automatically terminate.

8.2. The Customer acknowledges that, where the Supplier does not own the Intellectual Property Rights in any Pre-existing Materials, then the Customer's use of the same is conditional on the Supplier obtaining the necessary licence(s) from the relevant licensor(s) of such Pre-existing Materials on such terms as will entitle the Supplier to license such rights to the Customer under clause 8.1.

9. CONFIDENTIALITY

9.1. The Customer shall keep in strict confidence all technical or commercial know-how, specifications, inventions, processes or initiatives which are of a confidential nature and which have been disclosed to the Customer and/or where appropriate any Service Recipient by the Supplier, its employees, agents, consultants or subcontractors and any other confidential information concerning the Supplier's business or its services which the Customer may obtain under or in its connection with this Agreement (collectively, the “**Confidential Information**”).

9.4. The Customer shall not use any Confidential Information for any purpose other than to receive the Services, or to perform its obligations, under the Agreement.

9.5. All materials, Equipment and tools, drawings, specifications and data supplied by the Supplier to the Customer (including, any Pre-existing Materials and Equipment) shall, at all times, be and remain the exclusive property of the Supplier, but shall be held by the Customer in safe custody at its own risk and maintained and kept in good condition by the Customer until returned to the Supplier, and shall not be disposed of or used other than in accordance with the Supplier's written instructions or authorisation.

The parties acknowledge that for the purposes of the Data Protection Legislation, the Customer (or the Service Recipient as appropriate) is the data controller and the Supplier is the data processor (where data controller and data processor have the meanings as defined in the Data Protection Legislation).

11.3. Annex 1 (as may, from time to time, be updated to reflect any changes to the scope of the processing) sets out the scope, nature and purpose of processing by the Supplier, the duration of the processing and the types of Personal Data and categories of Data Subject (both as defined in the Data Protection Legislation). The parties may, from time to time, update Annex 1 to reflect any changes to the scope of the processing.

11.4. Without prejudice to the generality of clause 11.1, the Customer (and/or where appropriate the relevant Service Recipient) will ensure that it has all necessary rights and notices in place to enable the lawful transfer of the Personal Data to the Supplier for the duration and purposes of the Agreement.

11.5. The Supplier shall, in relation to any Personal Data processed in connection with the performance by the Supplier of its obligations under the Agreement:

11.5.1. process that Personal Data on the written instructions of the Customer or where appropriate the relevant Service Recipient (unless otherwise required by law);

11.5.2. ensure that it has in place appropriate technical and organisational measures, reviewed and approved by the Customer (and/or where appropriate the relevant Service Recipient), to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures;

11.5.3. take all reasonable steps to ensure the reliability and integrity of personnel who have access to and/or process Personal Data;

11.5.4. not transfer any Personal Data outside of the European Economic Area unless the prior written consent of the Customer (and/or where appropriate the relevant Service Recipient) has been obtained and the following conditions are fulfilled:

a) the Customer (and/or where appropriate the relevant Service Recipient) or the Supplier has

provided appropriate safeguards in relation to the transfer;

b) the Data Subject has enforceable rights and effective legal remedies;

c) the Supplier complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred; and

d) the Supplier complies with reasonable instructions notified to it in advance by the Customer (and/or where appropriate the relevant Service Recipient) with respect to the processing of the Personal Data;

11.5.5. assist the Customer (and/or where appropriate the relevant Service Recipient), at the Customer's cost, in responding to any request from a Data Subject and in ensuring compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;

11.5.6. notify the Customer (and/or where appropriate the relevant Service Recipient) without undue delay on becoming aware of a Personal Data breach;

11.5.7. at the written direction of the Customer (and/or where appropriate the relevant Service Recipient), delete or return Personal Data and copies thereof to the Customer (and/or where appropriate the relevant Service Recipient) on termination of the Agreement unless required by law to store the Personal Data; and

11.5.8. allow for audits by the Customer (and/or where appropriate the relevant Service Recipient) or its designated auditor in respect of the Supplier's data processing activities under the Agreement.

11.5.9. the Supplier is given general authorisation to engage third-parties to process the Personal Data ("**Sub-Processors**") without obtaining any further written, specific authorisation from the Customer or where appropriate the relevant Service Recipient. The Supplier will notify the Customer in writing about the identity of a potential Sub-Processor and the Customer will have the right to object to the same by giving notice in writing within one month from receiving the notification from the Supplier. If the Customer objects to the change then the Supplier may either accept the objection and not appoint the relevant Sub-Processor or it may terminate the Agreement without any liability to the Customer). The Supplier shall complete a written sub-processor agreement with any Sub-Processors which shall include protections substantially similar to those under the Agreement. The Supplier is accountable for any

Sub-Processor in the same way as for its own actions and omissions. A list of the Supplier's material sub-processors as at the date of the Agreement is set out on the Supplier's website (or will otherwise be notified to the Customer). Any objection to an amendment to the list of Sub-Processors may be escalated for discussion within 10 days after receipt of a notification of any change. If the parties are (acting reasonably) unable to resolve the objection and the Supplier informs the Customer that it nevertheless intends to appoint the relevant Sub-Processor then the Customer may either: (i) accept the change; or (ii) terminate the Agreement upon written notice within one month of raising the objection (and as the Customer's sole and exclusive remedy, the Supplier will refund any unused prepaid fees).

11.6. The parties may, acting reasonably, agree to amend the Agreement to ensure that it complies with any applicable guidance issued by the Information Commissioner's Office from time to time.

11.7. The Supplier acknowledges that the Customer has (and the relevant Service Recipients have) duties and obligations under the Freedom of Information Act 2000 (FOIA) and the Supplier will upon request give reasonable assistance where appropriate or necessary in relation to their compliance with such duties.

12.3.2. the Customer shall (and shall ensure that any Service Recipients shall) return all of the Supplier's Equipment and Pre-existing Materials. If the Customer fails to do so, then the Supplier may enter the Customer's (and/or where appropriate the relevant Service Recipient's) premises and take possession of them. Until they have been returned

or repossessed, the Customer (and/or where appropriate the relevant Service Recipient) shall be solely responsible for their safe keeping.

12.4. Expiry or termination of the Agreement for any reason (whether under the Agreement or otherwise) will:

12.4.1. be without prejudice to any obligation or right of either party which has accrued prior to such expiry or termination (or will thereafter accrue in respect of the period before such expiry or termination); and

12.4.2. not affect any provision of the Agreement which is expressly or by implication intended to come into effect on, or to continue in effect after, such expiry or termination.

12.5. Without prejudice to the generality of clause 12.4, the provisions of clauses 8, 9, 10, 11, 12, 21, and 27 will survive expiry or termination of the Agreement for any reason.

The Customer shall be responsible and directly liable for any such prohibited act carried out by any person associated with the Customer in connection with the Agreement (including any Service Recipient).

14. INDEMNIFICATION

14.1. The Customer shall defend, indemnify and hold harmless the Supplier (its directors, officers, agents and employees) at all times from and against any Losses suffered, sustained or incurred by the Supplier in relation to any claim relating to or arising from:

14.1.1. any injury or harm suffered by any the Supplier employee involved in the provision of the Services, arising out of any act or omission by the Customer and/or any Service Recipient, the Customer's and/or any Service Recipient's employees, the Customer's and/or any Service Recipient's agents and/or the Sites; or

14.2. In the event the Supplier is able to claim under the indemnity in clause 14.1 (or such a claim seems likely to arise), then the Supplier may suspend delivery of the Services unless or until such time as the Supplier is certain, in its reasonable opinion, that there is not likely to be a claim or the claim has been resolved.

15. WARRANTY DISCLAIMER

15.1. Except as expressly stated in the Agreement, there are no conditions, warranties, representations or other terms, express or implied, that are binding on the Supplier. Any condition, warranty, representation or other term concerning the sale of Hardware, supply of Equipment, licence of software and/or provision of the Services which might otherwise be implied into, or incorporated in, the Agreement whether by statute, common law or otherwise, is excluded to the fullest extent permitted by law.

15.2. OPTUM DOES NOT WARRANT THAT ANY SOFTWARE LICENSED UNDER THE AGREEMENT WILL BE ERROR FREE.

15.3. The Customer acknowledges that any software licensed under the Agreement has not been developed to meet its individual requirements, and that it is therefore its responsibility to ensure

16. FORCE MAJEURE

The Supplier shall have no liability under the Agreement if it is prevented from, or delayed in performing, its obligations under the Agreement or from carrying on its business by acts, events, omissions or accidents beyond its reasonable control, including strikes, lock-outs or other industrial disputes (whether involving the workforce of the Supplier or any other party), failure of a utility service or transport network, act of god, epidemic, pandemic, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or default of suppliers or subcontractors.

18.1. The Supplier may, from time to time and without notice, change the Services in order to comply with any applicable safety or legal requirements, provided that such changes do not materially and adversely affect the nature, scope of, or the charges for the Services. If the Supplier requests a change to the scope of the Services for any other reason, the Customer shall not unreasonably withhold or delay consent to it.

18.2. Subject to clause 18.1, no variation of the Agreement or of any of the Documents referred to hereunder, shall be valid unless it is in writing and signed by or on behalf of each party.

19.1. A waiver of any right under the Agreement is only effective if it is in writing and it applies only to the circumstances for which it is given. No failure or delay by a party in exercising any right or remedy under the Agreement or by law shall constitute a waiver of that (or any other) right or remedy, nor

preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that (or any other) right or remedy.

19.2. Unless specifically provided otherwise, rights arising under the Agreement are cumulative and do not exclude rights provided by law.

20. SEVERANCE

20.1. If any provision of the Agreement (or part of any provision) is found by any court or other authority of competent jurisdiction to be invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed not to form part of the Agreement, and the validity and enforceability of the other provisions of the Agreement shall not be affected.

20.2. If a provision of the Agreement (or part of any provision) is found illegal, invalid or unenforceable, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

21. ENTIRE AGREEMENT

21.1. The Agreement constitutes the whole agreement between the parties and supersedes all previous agreements between the parties relating to its subject matter.

21.2. Each party represents and agrees that in entering the Agreement it does not rely on, and will have no remedy in respect of, any statement, representation, warranty or understanding (whether negligently or innocently made) of any person (whether party to the Agreement or not) other than as expressly set out in the Agreement. The only remedy available to either party for breach of the warranties will be for breach of contract under the terms of the Agreement.

21.3. Nothing in this clause 21 shall limit or exclude any liability for fraud.

22. ASSIGNMENT

22.1. The Customer shall not, without the prior written consent of the Supplier, assign, transfer, charge, mortgage, subcontract or deal in any other manner with any or all of its rights or obligations under the Agreement.

23. THIRD PARTY RIGHTS

23.1. Save as expressly provided for under the Agreement in respect of any Service Recipients each party that has rights under the Agreement is acting on its own behalf and not for the benefit of another person.

23.2. The Agreement does not create or confer any rights or benefits enforceable by any person not a party to it (within the meaning of the Contracts (Rights of Third Parties) Act 1999) except always that, subject to clause 23.3, each Service Recipient shall have the right to enforce any rights or benefits conferred under the Agreement.

23.3. Notwithstanding clause 23.2, the parties may by agreement rescind, vary or terminate the Agreement without the consent of any Service Recipient, notwithstanding that such rescission or variation may extinguish or alter that person's entitlement under that right.

24. NO PARTNERSHIP OR AGENCY

Nothing in the Agreement is intended, or shall be deemed, to constitute a partnership or joint venture of any kind between the parties, nor constitute either party the agent of the other party for any purpose. Neither party shall have authority to act as agent for, or to bind, the other party in any way.

25. CONTRACT MANAGEMENT

25.1. Each party shall nominate an individual to act as their representative in respect of the Services to be provided under the Agreement (each a **"Service Manager"**).

25.2. The principal point of contact between the parties in relation to any issues arising out of the Agreement or the performance of the Services will be the Service Managers who will meet from time to time or upon request to discuss matters relating to the Agreement. Either Party may change the identity of its Service Manager at any time by written notice to the other.

25.3. If an issue should arise which the parties are unable to resolve via the Service Managers then the Customer may (without prejudice to clause 27) escalate the same by following the Supplier's formal complaint's procedure (a copy of which will be provided by the Supplier's Service Manager promptly upon request).

26. NOTICES

26.1. Any notice required to be given under the Agreement shall be in writing and shall be delivered by hand or sent by pre-paid first-class post or recorded delivery post to the other party at its

registered office address, or such other address as may have been notified by that party for such purposes, or (in respect of notices sent by the Customer) by email to uk.contracts@optum.com

26.2. A notice delivered by hand or email shall be deemed to have been received when delivered (or if delivery is not in normal business hours, at 9:00am on the first business day following delivery). A correctly addressed notice sent by pre-paid first-class post or recorded delivery post shall be deemed to have been received at the time at which it would have been delivered in the normal course of post.

26.3. All notices sent to the Supplier shall be marked for the attention of legal counsel.

27. DISPUTE RESOLUTION; GOVERNING LAW AND JURISDICTION

27.1. Any dispute arising out of or in connection with the Agreement (each a **"Dispute"**) shall be referred by either party first to representatives of each of the parties for resolution. If the Dispute cannot be resolved by the relevant representatives of the parties within ten (10) business days after the Dispute has arisen, either party may give notice to the other party in writing (each a **"Notice"**) that a Dispute has arisen. Within ten (10) business days after the date of the Notice, the Dispute shall be referred to a senior executive of each of the Supplier and the Customer for resolution. If the Dispute is not resolved by agreement in writing between the parties within ten (10) business days after the date of the Notice, then each party shall be entitled to pursue such remedies as may be available to it under the Agreement or otherwise at law or in equity. This clause 27 is without prejudice to either party's right to seek interim relief against the other party (such as injunction) through local courts, as defined herein, to protect its rights and interests, or to enforce the obligations of the other party.

27.2. The Agreement, and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims), shall be governed by, and construed in accordance with, the law of England and Wales.

27.3. The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of, or in connection with, the Agreement or its subject matter or formation (including non-contractual disputes or claims).
