2.1 **Agreement Term:** Subject to the remaining terms of this clause 2, the Agreement shall be made effective as of the Commencement Date and shall (subject to any alternative initial term specified in the relevant Quote or any earlier termination pursuant to clause 15) continue for an initial term of 12 months from the date on which the System or first Solution to be provided under the Agreement goes live (or, where there is no Solution, Optum starts to deliver the relevant Service) and shall then, subject to clause 15.2, continue on an annual rolling basis unless or until it (or the relevant Quote(s)) is terminated by either party giving not less than three (3) months' notice in writing to expire at the end of the relevant initial term or on any subsequent anniversary of the Commencement Date.

2.2 **Licence Term:** Unless the parties expressly agree otherwise in an Quote, the Licence Term in respect of each Quote shall commence on the relevant Licence Start Date, and subject to any earlier termination of the Agreement and/or the relevant Quote, continue for a 12 month period ("**Initial Licence Term**") and thereafter, subject to clause 2.4 shall automatically renew on an annual basis (each a "**Renewal Licence Term**"), subject to the Customer's continued payment of the relevant Charges, until:

2.2.1 it is terminated by either party giving not less than two (2) months' notice in writing to the other party, such notice to expire at the end of the Initial Licence Term or Renewal Licence Term (as appropriate); or

2.2.2 termination or expiry of the Quote or the Agreement in accordance with its terms (including in accordance with clauses 2.1 and 15.3).

2.3 Optum shall (subject to any earlier termination in accordance with the Agreement) provide to the Customer and the Customer shall pay for the relevant Service(s), Goods and/or Solution(s) from the Effective Date and during the Term (subject to any alternative term set out in the applicable Quote(s)).

2.5 Subject to clause 2.6 (or as expressly provided for in the Additional Terms), Optum may align the provision of any existing solutions, goods and services (which are the same as, or which are to be replaced by, the Solution(s), Goods, and/or Service(s)) being provided (prior to the Commencement Date) by Optum under separate contracts (the “**Existing Contracts**”) with the provision of the relevant Solution(s), Goods, and/or Services to be delivered under the Agreement, so that with effect from the Commencement Date, in which case, the term of the relevant Existing Contracts shall (where necessary) be extended so as to run concurrently with the Term. The charges due under the Existing Contracts may be varied by Optum in accordance with clause 10.4 following what would have been the expiry of the original term of the relevant Existing Contract.

2.6 For the avoidance of doubt, if an Quote includes any Solution(s), Goods, and/or Services which are the same as or which are intended to replace any solutions, goods or services which are provided under any Existing Contract(s) then it is agreed that with effect from the relevant Effective Date, the Existing Contract(s) shall (in respect of the relevant solution(s), goods, and/or services or, if there are no remaining solution(s), goods, and/or services to be delivered under the relevant Existing Contract(s), in its entirety) be deemed to have been terminated by mutual consent (and without any liability on the part of either party) and the relevant Solution(s), Goods and/or Service(s) shall be provided under the Agreement. Optum will inform the Customer of the amount of any fees or charges paid under the Existing Contracts which are to be credited against the Charges under the Quote.

If the Customer seeks to place an order with an authorised reseller then this shall be deemed an offer from the Customer and the terms of clause 3.2 shall apply regarding the acceptance of any such offer by Optum (and for the avoidance of doubt, subject to clause 3.4 any provision by Optum of any Solution(s), Goods and/or Service(s) will be subject to these Master Terms and the Agreement will be formed as between Optum and the Customer).

3.5 These Master Terms apply to the Agreement to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing. For the avoidance of doubt, any standard terms and conditions of the Customer attached to, enclosed with, or referred to in any Quote, purchase order, or otherwise shall not form part of the Agreement or otherwise govern the delivery of any Solution(s), Goods and/or Service(s).

3.6 Without prejudice to clause 3.5, if the Quote contains any Additional Terms provided by Optum

then such terms shall be deemed incorporated into the Agreement (in respect of the Solution(s) and/or Service(s) or Goods to which they relate) and to the extent that there is any conflict between the Additional Terms and these Master Terms, the Additional Terms shall prevail.

3.7 For the avoidance of doubt, any quotation given by Optum shall not constitute an offer, and is only valid for a period of twenty (20) Business Days from its date of issue.

As such, the Customer may receive a Subscription Service as part of, or alongside, the Referral Services as specified in the relevant Quote.

8.13 The relevant Service Provider or operator of a Site (including, where relevant, the Customer) shall at all times be responsible for ensuring they obtain the relevant consent(s) from any patient to referral the relevant service through the System using the Referral Services.

8.14 The provision of Referral Services by Optum shall be dependent on and subject to the consent of the relevant referring party to Optum accessing or integrating with the relevant system of the referring party. In the event that the referring party withdraws such consent, Optum may terminate any relevant Quote for Referral Services on written notice to the Customer.

8.15 The exact specifications of the Referral Services to be provided shall be as set out in the relevant Quote.

Local Services

8.16 Authorised Users may access the 'Patient Access' referral or triage screens in EMIS Web to arrange a referral to a local healthcare provider. This is enabled via a clickable button embedded in EMIS Web.

8.17 Clicking the button takes the Authorised User to a page that either supports:

8.17.1 a direct referral to relevant and available services; or

8.17.2 the use of a triage pathway that the Authorised User can use to ask a series of clinical questions relating to the relevant patient to assist the Authorised User in determining whether (or not) the patient is suitable for referral.

8.18 For suitable patients, both routes set out in clause 8.17 lead the relevant Authorised Users to the referral page, where the local healthcare provider for onward referral may be selected. Where relevant, this will be as agreed with, or selected by, the patient.

8.19 The Customer / Service Recipient can also direct its patients to complete the self-referral triage process by providing its patients with a link to the Website.

8.20 Where self-referral is used:

8.20.1 the patient will be asked to verify that they are registered with the Customer's/Service Recipient's practice and can then complete the relevant clinical questions;

8.20.2 where the patient, based on their responses, is:

8.20.2.1 not eligible for a referral, then they will be unable to proceed and will be advised by email to contact their GP practice, NHS 111 and/or accident and emergency (as appropriate, based on their responses);

8.20.2.2 eligible, the referral will be submitted to the Customer/Service Recipient (as appropriate) for processing, as set out below and the patient will receive an email confirming that the referral has been submitted and is with the Customer/Service Recipient (as appropriate) for review;

8.20.3 patient information is recorded when the patient chooses to make a referral through the Website, to determine their identity and to enable the assessment of the referral. Once this information has been submitted, Optum will process such data on behalf of the Customer/Service Recipient (as appropriate) in accordance with the Agreement. As between the Customer/Service Recipient (as appropriate) and the patient, the capture and use of the data provided is subject to the terms of the Customer's/Service Recipient's (as appropriate) privacy policy;

8.20.4 Optum will search the submitted patient information against the information held in Optum Web and present potential patient match(es) to the Customer/Service Recipient (as appropriate) for review and approval;

8.20.5 the system will display where the submitted patient information matches and/or does not match the information held on EMIS Web. This information is for guidance and assistance only and it is the Customer's / Service Recipient's responsibility to ensure that the identity of the patient is properly

verified, notwithstanding the information which may be retrieved from EMIS Web;

8.20.6 once the Customer/Service Recipient (as appropriate) has confirmed the patient's identity the Customer/Service Recipient (as appropriate) will be able to either:

8.20.6.1 confirm the referral and appointment and send the referral to the selected local healthcare provider. This will automatically file the referral to the selected patient's record and send the referral to the pharmacy (or other healthcare provider) selected by the patient for the appointment to be booked, or alternatively the referral may be rejected by the local healthcare provider; or

8.20.6.2 reject the referral. This will automatically send the patient an email confirming that the referral has been unsuccessful and advising the patient to contact the Customer/Service Recipient (as appropriate).

8.21 Sending the referral will result in the following actions:

8.21.1 Secure ITK/BaRS referral sent to the relevant local healthcare provider delivering the referred service; and

8.21.2 communication sent (by email and/or SMS) on behalf of the relevant healthcare provider to the patient to provide information on direction of the referral along with a reference ID to present at the local healthcare provider on arrival. This identifies them as a 'referred patient' when engaging with the relevant local healthcare provider.

8.22 In respect of use of the Local Service by the Customer / Service Recipient (as appropriate) it is agreed and acknowledged that:

8.22.1 the Customer / Service Recipient (as appropriate) will be responsible for ensuring that the triage functionality is used appropriately and that Authorised Users with access to the same are adequately trained and supported in its use;

8.22.2 the triage screens are intended to aid and supplement, not substitute for, the expertise and judgment of those using the triage screens and if they are being used by anyone other than an appropriate healthcare professional, then it is the responsibility of the Customer / Service Recipient (as appropriate) to ensure that such Authorised Users are being appropriately supervised, monitored and supported;

8.22.3 the services are provided on the basis that the healthcare professionals at the Customer / Service Recipient (as appropriate) are responsible for patient care and will retain full and sole responsibility for patient care (and whether a referral to a local healthcare provider or otherwise is appropriate in the circumstances); and

8.22.4 it is the Customer / Service Recipient (as appropriate), and not Optum (or any of its sub-contractors) that is providing triage services to the patients.

8.23 Optum shall have no liability to the Customer or any Service Recipient in the event that they fail to appropriately use the Services in accordance with these Master Terms.

8.24 Where the patient submits information via the Website, it is acknowledged that the patient may have changed their personal information (such as mobile phone number or home address) or may submit incorrect or inaccurate information, and so this information may not match the information held in the patient's record in EMIS Web. Optum will use its reasonable endeavours to find the most relevant patient match however it does not guarantee that this will always be correct. The Customer/Service Recipient (as appropriate) shall be responsible for verifying the identity of the patient and/or the details they have submitted via the Website and updating their record in EMIS Web where appropriate. Optum shall have no liability for any incorrect or incomplete information submitted by the patient, or for any failure of the Customer / Service Recipient (as appropriate) to properly verify the identity of the patient before sending a referral and taking any other action.

8.25 The Customer acknowledges that the provision of the Website and its functionality is free of charge and agree that any support and maintenance arrangements agreed with Optum shall not apply to this service. Optum shall use its reasonable endeavours to review and evaluate any issues or bugs which are brought to its attention through the usual support channels.

8.26 Following the submission of any referral(s), Optum will use its reasonable endeavours to provide the following (or an equivalent thereof) to the local healthcare provider receiving the referral:

8.26.1 the ITK/BaRS referral presents in the service screen of PharmOutcomes at the relevant local healthcare provider;

8.26.2 the local healthcare provider is alerted of the referral receipt via management email or PharmAlarm if present;

8.26.3 the local healthcare provider team member can drop, accept or complete the referral;

8.26.4 on completion, the PharmOutcomes user uses structured follow-up to record the intervention. This forms the clinical record;

8.26.5 saving the follow-up supports post event message back to the Customer/Service Recipient (as appropriate) to inform of service outcomes;

8.26.6 saving intervention information provides real time reporting for the Customer; and

8.26.7 (if relevant) saving the follow-up record manages the care provider's claim for service provision via FHIR message sent to MYS managed by the NHS Business Services Authority.

8.28 In the event that the external system ceases to be assured or fails assurance, Optum may suspend or terminate the use of the relevant Integration Tool by the Customer, the Service Providers and/or any other relevant third parties.

8.29 In the event that the relevant external system is owned or operated by, or licenced to, the Customer, the Customer must not:

8.29.5 attack the Integration Tool(s) and through it the relevant Optum System via a denial-of-service attack or a distributed denial-of service attack.

By breaching the terms of clauses 8.29.3 to 8.29.5 of this provision, you may be committing a criminal offence under the Computer Misuse Act 1990. Optum will report any such breach to the relevant law enforcement authorities and Optum will co-operate with those authorities by disclosing your identity to them. In the event of such a breach, your right to use

the Integration Tool(s) and through it the System and any relevant Optum System will cease immediately.

If you fail to comply with this clause then Optum may suspend assurance in respect of the relevant external system.

8.31 In the event that the relevant external system is not owned or operated by, or licenced, the Customer, Optum may require that the Customer procures that the relevant third party owner complies with the provisions of clauses 8.29 and 8.30 and Optum shall be entitled to hold the Customer responsible for such third party's compliance with the same.

8.33.1 the System/Solution(s) and/or any relevant Optum System will be used only in accordance with the terms of the Agreement;

8.33.2 use of the System/Solution(s) and/or any relevant Optum System by the Customer must not (effectively) cause a denial of service for other users

through excessive, prolonged and/or continual usage or otherwise; and

8.33.3 there must be no attempts to interfere with, disrupt, or disable any features of the System and/or relevant Solution(s) and/or any relevant Optum System.

8.34 Without prejudice to any other rights available to it, if Optum (acting reasonably) identifies any actual or apparent breach of the Fair Use Policy then Optum may immediately (and where necessary without notice) suspend the Customer's access to the System and/or relevant Solution(s) and/or relevant Optum System pending an investigation into the same.

9.3 The Customer acknowledges that Optum will be unable to investigate and resolve an incident without the relevant information (including, the Minimum Data Set) and agrees that any timescales

10.4 Subject to any fixed pricing agreed in the relevant Quote, Optum may adjust the Charges:

10.4.1 by Indexation at the end of each relevant Index Year to reflect the effects of inflation; and/or

10.8 Notwithstanding any provision in the Agreement to the contrary, all sums payable to Optum under the Agreement shall become due immediately on its termination. This clause 10.8 is without prejudice to any right to claim for interest under the law, or any such right under the Agreement.

10.9 If Optum is unable to deliver the System and/or any Service(s) ordered by the Customer (including, installation services, support service or training services) due to any act or omission on the part of the Customer and/or any relevant Service Provider (including, as a result of Sites being unsafe or the unavailability of the relevant members of the Customer's staff) then Optum shall be entitled to charge the Customer in respect of any time spent attempting to deliver the same (in addition to any charges due in respect of any replacement Service(s) provided).

10.10 Optum may, without prejudice to any other rights it may have, set off any liability of the Customer to Optum against any liability of Optum to the Customer.

11. INTELLECTUAL PROPERTY RIGHTS

11.1 In the event that new software, inventions, designs or processes evolve in performance of, or as a result of delivering the Service(s) (including, any consulting services) or providing the System or Solution(s), the Customer acknowledges that the same shall be the property of Optum.

11.2 All Intellectual Property Rights and all other rights subsisting in the System and any Solution(s), Goods, Service(s) and/or any Optum Materials and/or relevant Optum System shall remain exclusively with Optum (or its third party licensor(s) as appropriate) and the Customer shall have no rights in or to the same other than the right to use the same in accordance with the terms of the Agreement.

11.3 The Customer acknowledges that where Optum does not own the Intellectual Property Rights in the System or any Solution(s) or Optum Materials, then the Customer's use of the System or such Solution(s) or Optum Materials shall be conditional on Optum obtaining the necessary licence(s) from the relevant licensor(s) of such materials on such terms as will entitle Optum to sub-license such rights to the Customer.

11.4 The Customer shall not remove or alter any copyright or trade mark notices included in the System or any Solution(s), Goods or Optum Materials and it shall reproduce the same in any and all copies which it may make in accordance with the terms of the Agreement.

11.5 In the event a claim, relating to the infringement of any third party rights, is made, or in Optum's reasonable opinion is likely to be made, against the Customer in relation to any of the System, Solution(s), Service(s) and/or Optum Materials, Optum may, at its sole option:

11.5.1 procure for the Customer the right to continue to use the relevant Solution(s), Service(s) and/or Optum Material(s) in accordance with the terms of the Agreement;

11.5.2 modify the relevant Solution(s), Service(s) and/or Optum Material(s) so that it ceases to be infringing;

11.5.3 replace the relevant Solution(s), Service(s) and/or Optum Material(s) with non-infringing materials; or

11.5.4 terminate the Agreement immediately by notice in writing to the Customer.

11.6 Optum shall defend the Customer in relation to any claim that the System, Service(s), Good(s) or Solution(s) or the Customer's use thereof infringes the Intellectual Property Rights of any third party, provided that:

11.6.1 Optum is given prompt notice of any such claim;

11.6.2 use of the System, Service(s), Solution(s) and/or Good(s) is in accordance with the terms of the Agreement;

11.6.3 the Customer provides reasonable co-operation to Optum in the defence and settlement of such claim, at Optum's reasonable expense; and

11.6.4 Optum is given sole authority to defend or settle the relevant claim.

12. CONFIDENTIALITY

12.1 Each party receiving Confidential Information belonging to the other party shall:

12.1.1 hold all Confidential Information in strict confidence and keep it secure, applying to any Confidential Information at least the same standard of care with which it treats its own proprietary and confidential information (and in any case not less than a reasonable standard of care);

12.1.2 seek to access Confidential Information, and use Confidential Information, in each case only:

12.1.2.1 for the purpose of performing its obligations under the Agreement; and

12.1.2.2 in accordance with the Agreement;

12.1.3 specifically refrain from seeking to access Confidential Information, and from using Confidential Information, for its own or any third party's benefit or in any other manner not authorized in writing by the disclosing party;

12.1.4 disclose, or permit access to, Confidential Information only to persons who are its employees, or its independent contractors, who both:

12.1.4.1 have a need to know the Confidential Information in order to give effect to the Agreement or advise in connection with it (or both); and

12.1.4.2 are subject to nondisclosure obligations substantially similar to those of the Agreement,

12.1.5 accept responsibility for any access to, use, or disclosure of any Confidential Information in violation of the terms of the Agreement and to take such steps as may be required by applicable law to enforce this obligation;

12.1.6 return to the disclosing party (or, at the disclosing party's request, destroy in such manner as not to allow its re-creation and confirm to the disclosing party the receiving party's compliance with this obligation) within fourteen (14) days of the expiry (or earlier termination) of the Agreement (or the relevant Quote or such earlier date as the disclosing party may reasonably request) all materials (in writing or otherwise, including copies) containing any Confidential Information; and

12.1.7 promptly notify (where it is permitted to do so by law) the disclosing party if the receiving party is requested or required to disclose, or permit access to, any Confidential Information to a third party in connection with any civil or criminal investigation or any judicial or administrative proceeding, so that the disclosing party may if it chooses seek an appropriate protective order.

12.2 Notwithstanding clause 12.1, a receiving party's obligations of confidentiality contained in the Agreement shall not apply:

12.2.1 to the extent required by law (including under the FOIA), by any court of competent jurisdiction, or by an official regulatory body provided that the receiving party:

12.2.1.1 where it is legally permitted to do so, gives the disclosing party as much notice as is reasonably possible of the disclosure;

12.2.1.2 provides reasonable assistance in contesting the required disclosure at the request and cost of the disclosing party; and

12.2.1.3 discloses only the minimum Confidential Information necessary to comply with its legal obligations; or

12.2.2 to information that:

12.2.2.1 at the time of disclosure was in the public domain or comes into the public domain other than through breach of the Agreement by the receiving party;

12.2.2.2 was known by the receiving party (as established by its own records or other competent proof) before it received the Confidential Information, or was exposed to it, or had the ability to access it; or

12.2.2.3 is lawfully disclosed to the receiving party by a third party acting in good faith and not bound by a confidentiality obligation.

12.3 The obligations of confidentiality contained in the Agreement shall continue in force during the Term and for a period of seven (7) years following the termination or expiry of the Agreement.

12.4 The parties acknowledge that either party's breach of this clause 12 may cause the other party irreparable injury for which damages would not be an adequate remedy. Therefore, in the event of such breach, the non-breaching party shall be entitled to extraordinary or injunctive relief in addition to any other remedies it may have.

12.5 Without prejudice to clause 12.1.6, Optum shall, where promptly requested by the Customer, within thirty (30) days of the expiry (or earlier termination) of the Agreement for any reason (or such earlier date that the Customer may reasonably request), applying its standard Charges in respect of such Service(s):

12.5.1 return, in an industry standard format, a copy of any Customer Data that it (or its subcontractors) is electronically storing (or is under its (or its subcontractors') possession or control);

12.5.2 following the Customer's confirmation of receipt of the returned Customer Data referred to above, delete or destroy, in accordance with its

standard operating procedures, the relevant Customer Data; and

12.5.3 notify the Customer, in writing, that the relevant Customer Data have been successfully returned and destroyed in accordance with this clause 12.5.

13. LIMITATIONS OF LIABILITY

13.1 THE CUSTOMER'S ATTENTION IS PARTICULARLY DRAWN TO THIS CLAUSE 13, WHICH THE CUSTOMER ACKNOWLEDGES IS A FAIR AND EQUITABLE APPORTIONMENT OF RISK UNDER THE AGREEMENT.

13.2 This clause 13 sets out the entire financial liability of Optum (including any liability for the acts or omissions of its employees, agents, consultants, third party licensor(s) and subcontractors) to the Customer in respect of:

13.2.1 any breach of the Agreement;

13.2.2 any use made by the Customer of the System, Service(s), the Goods and/or Solution(s) (or any part of them) and/or any relevant Optum System; and

13.2.3 any representation, misrepresentation (whether innocent or negligent), statement or tortious act or omission (including negligence) arising under or in connection with the Agreement.

13.3 All warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from the Agreement (including, any terms implied by sections 13 to 15 of the Sale of Goods Act 1979 and the terms implied by sections 3 to 5 of the Supply of Goods and Services Act 1982).

13.4 Nothing in the Agreement limits or excludes the liability of either party for:

13.4.1 death or personal injury resulting from negligence;

13.4.2 any damage or liability incurred as a result of fraud or fraudulent misrepresentation; or

13.4.3 any liability which cannot be excluded or limited pursuant to applicable law.

13.5 Subject to clause 13.4, Optum shall under no circumstances whatever be liable to the Customer, whether in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, for any:

13.5.1 loss (whether direct or indirect) of revenue or profits;

13.5.2 loss (whether direct or indirect) of business opportunity;

13.5.3 loss (whether direct or indirect) of goodwill or injury to reputation;

13.5.4 loss (whether direct or indirect) of anticipated savings;

13.5.5 loss (whether direct or indirect) of, or corruption to, any data;

13.5.6 wasted expenditure (whether direct or indirect); or

13.5.7 indirect, consequential or special loss or damage,

in each case arising out of or in connection with the Agreement (including, pursuant to any Quote).

13.6 Subject to clause 13.4 and clause 13.5, Optum's (and its affiliates and sub-contractors) total aggregate liability (whether in contract, tort (including negligence or breach of statutory duty), misrepresentation, equity, restitution or otherwise) arising out of or in connection with the Agreement:

13.6.1 in respect of all claims arising in any Contract Year in respect of a specific Solution, Goods or Service will be limited to a sum equal to one hundred and twenty percent (120%) of the total Charges paid or payable by the Customer to Optum under the relevant Quote in that Contract Year (or in respect of any and all such claims arising after the relevant Quote has terminated or expired, a sum equal to one hundred and twenty percent (120%) of the Charges paid and/or due to be paid in the final twelve (12) months of the relevant Quote); and

13.6.2 in respect of all other claims arising in any Contract Year will be limited to a sum equal to one hundred and twenty percent (120%) of the total Charges paid or payable by the Customer to Optum under the Agreement in that Contract Year (or in respect of any and all claims arising after the Agreement has terminated or expired, a sum equal to one hundred and twenty percent (120%) of the Charges paid or due to be paid in the final Contract Year of the Agreement).

13.7 For the avoidance of doubt, if Optum appoints an authorised reseller and the Customer pays the Charges to the reseller (rather than directly to Optum) then the relevant Charges paid to the reseller shall apply for the purposes of determining the appropriate limits under clause 13.6.

13.8 For the avoidance of doubt, the terms of clauses 13.4 to 13.6 shall apply equally to any claim brought against any third party licensor of Optum (with those clauses being read as though a reference to Optum were to the relevant licensor) whose solution(s) or service(s) are provided to the Customer under the Agreement (and such third party may rely upon and enforce the same in accordance with the terms of the Agreement and the Contracts (Rights of Third Parties) Act 1999).

13.9 Optum recommends that the Customer obtains appropriate business continuity (or other)

insurance cover in order to protect its business in the event that there is any issue with the delivery of the System or any Service(s) and/or Solution(s).

13.10 The Customer shall procure that the relevant terms of the Agreement are brought to the attention of the Service Recipients and shall be responsible for ensuring the Service Recipients compliance with the same. As between Optum and the Customer, the Customer agrees and acknowledges that it shall, at all times, remain responsible for the actions and omissions of all Service Recipients and, to the extent that such actions or omissions would breach the terms of the Agreement, this shall constitute a breach on the part of the Customer.

13.11 Optum shall have no liability to the Customer and/or any Service Providers in relation to any of the information or data that is inputted into the System (via Templates or otherwise) by those parties. Optum gives no warranty in relation to the accuracy of any such data and the Customer shall hold Optum harmless in relation to any claims or losses arising out of Optum using inaccurate or incomplete data/information when discharging its obligations under the Agreement.

14. DATA, DATA PROTECTION & SECURITY

14.1 Both parties will comply with all applicable requirements of the Data Protection Legislation. This clause 14 is in addition to, and does not relieve, remove or replace, a party's obligations under the Data Protection Legislation.

14.2 The parties acknowledge that for the purposes of the Data Protection Legislation, the Customer is the Controller and Optum is the Processor.

14.3 The parties further acknowledge that Optum may process Personal Data under the EULA in connection with this Agreement and that the EULA shall govern such processing. The applicable Service Provider shall be the Controller of Personal Data inputted into the System by such provider and Optum shall be that Service Provider's Processor. The Customer acknowledges that Optum may be required to amend, delete, update or otherwise process any Personal Data to the extent necessary for Optum to comply with an Service Provider's processing instructions under a EULA. As such, for the avoidance of doubt, the Customer hereby instructs Optum to amend its version of the Personal Data shared within the System in accordance with such amendments as have been made by the relevant Service Provider(s). In the event that the Customer has any queries or concerns regarding such changes, the Customer agrees it shall be responsible for discussing this directly with the relevant Service Provider and not Optum.

14.4 Annex 1 sets out the scope, nature and purpose of processing by Optum under this Agreement, the duration of the processing and the types of Personal Data and categories of Data Subject.

14.5 Without prejudice to the generality of clause 14.1, the Customer will ensure that it has all necessary rights and notices in place to enable the lawful transfer of the Personal Data to the Optum for the duration and purposes of the Agreement.

14.6 Optum shall, in relation to any Personal Data processed in connection with the performance by Optum of its obligations under the Agreement:

14.6.1 process that Personal Data on the written instructions of the Customer (unless otherwise required by law under which circumstances we will notify you before processing such data, where the law permits such notice);

14.6.2 immediately notify the Customer if, in Optum's opinion, such instruction(s) infringes the Data Protections Laws;

14.6.3 ensure that it has in place appropriate technical and organisational measures, as may be reviewed and approved by the Customer, to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures;

14.6.4 ensure the reliability and integrity of personnel who have access to and/or process Personal Data;

14.6.5 not transfer any Personal Data outside of the UK or European Economic Area unless the prior written consent of the Customer has been obtained and the following conditions are fulfilled:

14.6.5.1 the Customer or Optum has provided appropriate safeguards in relation to the transfer;

14.6.5.2 the Data Subject has enforceable rights and effective legal remedies;

14.6.5.3 Optum complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred; and

14.6.5.4 Optum complies with reasonable instructions notified to it in advance by the Customer with respect to the processing of the Personal Data;

14.6.6 assist the Customer, at the Customer's cost, in responding to any request from a Data Subject and in ensuring compliance with its obligations under the

Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;

14.6.7 notify the Customer without undue delay on becoming aware of a Personal Data breach and, where feasible, not later than 48 hours after becoming aware of it;

14.6.8 at the written direction of the Customer, delete or return Personal Data and copies thereof to the Customer on termination of this agreement unless required by law to store the Personal Data; and

14.6.9 allow for audits by the Customer or the Customer's designated auditor in respect of Optum's data processing activities under this agreement.

14.7 For the avoidance of doubt, Optum may appoint a sub-processor in relation to its obligations under the Agreement, provided that it shall remain responsible for ensuring that it imposes on any such sub-processor obligations equivalent to the Agreement and it will remain liable for any acts or omissions of any such sub-processor. A list of Optum's material sub-processors as at the date of this Agreement is set out here: <https://www.optum.co.uk/tech-enabled-services/legal/> (in respect of which for the avoidance of doubt, the Customer hereby gives its written authorisation). Any objection to an amendment to the list of sub-processors may be escalated for discussion within 10 days after receipt of a notification of any change (such notification to include the list of material sub-processors being updated on the webpage provided above). If the parties are (acting reasonably) unable to resolve the objection and Optum informs the Customer that it nevertheless intends to appoint the relevant sub-processor then the Customer may either: (i) accept the change; or (ii) terminate this Agreement upon written notice within one month of raising the objection (and as the Customer's sole and exclusive remedy, Optum will refund any unused prepaid Charges).

14.8 The Customer shall ensure that, throughout the Term, it has all necessary rights, consents and permissions (including from any Data Subjects) such that Optum's processing of any Customer Data in accordance with the terms of the Agreement will not breach any third party rights or relevant law.

14.9 In the event of any loss of, or damage to, any Customer Data, Optum shall use its reasonable endeavours to restore the lost or damaged Customer Data from the latest backup version of the Customer Data available to it. If the loss or damage was caused by Optum then it shall undertake such restoration at its own cost and expense and in any other circumstances it shall be entitled to charge the Customer in respect of any time spent at its then standard rates.

14.10 Optum may, from time to time, extract Transaction Data in respect of the Customer's use of the Solution(s) and/or Services it may use that Transaction Data (either alone or amalgamated with data extracted from other customers) for its own internal business purposes or it may make the same available to third parties (including, to regulators and manufacturers). For the avoidance of doubt, the Transaction Data shall not include any Personal Data.

15. TERMINATION

15.1 Termination of an individual Quote (by providing the necessary notice under clause 2.1 or under this clause 15) shall result in the termination of the relevant Service(s) and/or Solution(s) detailed in the relevant Quote but shall not, in itself, result in the termination of the Agreement or any other Quote.

15.2 In the event that the provision of all Good(s), Services and/or Solutions under the Agreement are terminated pursuant to the relevant Quote(s) then either party may give not less than one month's notice in writing to the other party to terminate the Agreement.

15.3 In the event that the Agreement is terminated by either party in accordance with clause 2.1, the parties agree that all existing Quotes as at the date of the notice of termination shall continue until the end of the Initial Licence Term or Renewal Licence Term (as appropriate) and shall thereafter terminate.

15.4 No Charges paid by the Customer pursuant to the Agreement shall be refundable by Optum on termination of the relevant Service(s) or Solution(s) except if caused by Optum's breach in which case Optum will refund a pro rata amount of any relevant Charges paid in advance by the Customer for the relevant Service(s) or Solutions(s).

15.5 Without prejudice to any other rights or remedies which the parties may have, either party may terminate the Agreement (and/or the relevant Quote(s)) without liability to the other immediately on giving written notice to the other if:

15.5.1 the other party fails to pay any undisputed amount due under the Agreement on the due date for payment and it remains in default not less than ten (10) Business Days after being notified in writing to make such payment;

15.5.2 the other party commits a material breach of any of the terms of the Agreement provided, if such a breach is remediable, the party in breach fails to remedy that breach within thirty (30) days of that party being notified in writing of the breach; or

15.5.3 the other party becomes insolvent, is the subject of a petition for creditor protection or a petition in bankruptcy or of any other proceedings under bankruptcy, insolvency or similar laws or makes an assignment for the benefit of creditors (or any event occurs, or proceeding is taken, with respect to the

other party that has an effect equivalent or similar to any of the events mentioned in this clause).

15.6 In the event that the Customer wishes (for operational reasons or otherwise) to terminate the Agreement (or any individual Quote) early for convenience then it may request that Optum consent to such termination (such consent not to be unreasonably withheld, provided always that the Customer pays to Optum any Charges due to be paid, or which would be due to be paid had the Agreement (or the relevant Quotes) not been terminated early).

15.7 From time to time, Optum may deem it necessary to discontinue (or 'sunset') certain Solutions and/or Services or part thereof for reasons including product enhancement, upgrade or end of life or end of support (each a "**Discontinued Service**").

15.8 In the event of a Discontinued Service, Optum will use its reasonable endeavours (taking into account factors including any notice received from any relevant third party vendor or licensor) to notify you in advance of the discontinuance and any key details relating to the relevant Discontinued Service including, where applicable, the dates of any end of support or licence.

15.9 Notwithstanding the term of the relevant Quote, Optum may terminate a Discontinued Service (including the relevant Quote and/or licence to use a Service or Solution) at any time and shall use its reasonable endeavours to give you not less than three (3) months' prior written notice. If Optum introduces an alternative or replacement service in respect of any Discontinued Service then it will endeavour to make the same available to you (on the terms relevant to that service).

15.10 If Optum agrees to continue to provide you with any support or related services in respect of a Discontinued Service then such services will be provided on an 'as is' basis and for such period as Optum confirms it is willing to deliver the same. If the relevant service is dependent on any third party input then you accept that the relevant third parties' support to Optum's efforts to resolve an issue may be limited or nil.

15.11 On termination of the Agreement (or on termination of an Quote) for any reason:

15.11.1 the Customer shall immediately pay to Optum any and all outstanding unpaid invoices and interest and, in respect of any relevant Service(s), Goods and/or Solution(s) supplied but for which no invoice has been submitted, Optum may submit an invoice, which shall be payable immediately on receipt; and

15.11.2 the Customer shall immediately destroy or return to Optum (at Optum's option) all relevant Optum Materials and/or Solution(s) then in its possession, custody or control and, in the case of

destruction, certify to Optum that it has done so. Until they have been returned or destroyed, the Customer shall be solely responsible for their safe keeping.

15.12 Expiry or termination of the Agreement for any reason (whether under the Agreement or otherwise) will:

15.12.1 be without prejudice to any obligation or right of any party which has accrued prior to such expiry or termination (or will thereafter accrue in respect of the period before such expiry or termination); and

15.12.2 not affect any provision of the Agreement which is expressly or by implication intended to come into effect on, or to continue in effect after, such expiry or termination.

15.13 Without prejudice to the generality of clause 15.12, the provisions of clauses 11, 12, 13, 14, 15, 17, and 25 will survive expiry or termination of the Agreement for any reason.

16. CORRUPT GIFTS AND PAYMENT

Each party shall ensure that it (and any person associated with it in connection with the Agreement) shall refrain from committing, facilitating, encouraging or allowing a Prohibited Act. Each party shall be responsible for any Prohibited Act carried out by any person associated with it in connection with the Agreement.

17. AUDIT

17.1 Optum shall have the right (upon giving reasonable notice and within normal business hours) to inspect the Customer's use of the relevant Solution(s) and/or Service(s) (whether physically or remotely) and its compliance with the terms of the Agreement.

17.2 Optum may perform an inspection under clause 17.1:

17.2.1 either itself (e.g. through an internal auditor) or through an external auditor; and

17.2.2 no more than once per year (and once during the twelve (12) months immediately following the termination or expiry of the Agreement) unless a breach of the Agreement or of security has occurred in which case a further inspection may take place.

17.3 Optum shall use its reasonable endeavours to ensure that the conduct of any inspection does not unreasonably disrupt the business of the Customer.

17.4 The Customer shall provide such access and assistance (and access, including, remote access, to the relevant Sites, records and/or systems) as Optum may reasonably require in connection with any inspection or audit. Each party shall bear its costs of preparing for and undertaking an inspection pursuant to clause 17.1.

17.5 If an inspection pursuant to clause 17.1 finds material irregularities, errors or non-compliance by the Customer then, without prejudice to any other remedies available to Optum, the Customer shall promptly remedy the same.

18. FORCE MAJEURE

Neither party shall have any liability to the other party under the Agreement if it is prevented from, or delayed in performing, its obligations under the Agreement or from carrying on its business by acts, events, omissions or accidents beyond its reasonable control, including: strikes, lock-outs or other industrial disputes (whether involving the workforce of Optum or any other party), failure of a utility service or transport network, act of God, war, riot, civil commotion, pandemic or epidemic, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or default of suppliers or subcontractors.

19. VARIATION

19.1 Without prejudice to clause 5.5, Optum may, from time to time, amend the terms of the Agreement by updating these terms online. If, in Optum's reasonable opinion, any change to the terms would have a material adverse effect on the Customer then Optum shall give not less than thirty (30) days' notice in writing of the relevant amendment and the Customer may, at any time within sixty (60) days of receiving the relevant notice, terminate the Agreement by giving one (1) months' notice to Optum during which time the original terms shall apply (unless, during that one (1) month period Optum gives notice that it is withdrawing the proposed variation in respect of the Customer in which case the Agreement shall continue as drafted in full force and effect).

19.2 Subject to clause 19.1, no variation of the Agreement or of any of the documents referred to hereunder, shall be valid unless it is in writing and signed by or on behalf of each party.

19.3 Additional Service(s) and/or Solution(s) may be added to the Service(s) and/or Solution(s) provided by Optum to the Customer under the Agreement by both parties entering into new Quotes each of which shall be subject to and be incorporated into (and form part of) the Agreement.

20. WAIVER

20.1 A waiver of any right under the Agreement is only effective if it is in writing and it applies only to the circumstances for which it is given. No failure or delay by a party in exercising any right or remedy under the Agreement or by law shall constitute a waiver of that (or any other) right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of

such right or remedy shall preclude or restrict the further exercise of that (or any other) right or remedy.

20.2 Unless specifically provided otherwise, rights arising under the Agreement are cumulative and do not exclude rights provided by law.

21. SEVERANCE

Should any of the provisions of the Agreement be ineffective due to being invalid, illegal or unenforceable (an “**Ineffective Provision**”), such Ineffective Provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without invalidating the remainder of such provisions or the remaining provisions of the Agreement. The parties agree to attempt to substitute for any Ineffective Provision a valid, legal and enforceable provision which achieves to the greatest extent possible the economic, legal and commercial objectives of the Ineffective Provision.

22. ENTIRE AGREEMENT

22.1 Without prejudice to clause 2.5, the Agreement constitutes the whole agreement between the parties and supersedes all previous agreements between the parties relating to its subject matter.

22.2 Each party represents and agrees that in entering the Agreement it does not rely on, and will have no remedy in respect of, any statement, representation, warranty or understanding (whether negligently or innocently made) of any person (whether party to the Agreement or not) other than as expressly set out in the Agreement. The only remedy available to either party for breach of the warranties will be for breach of contract under the terms of the Agreement.

22.3 Where the Customer's Service Providers/Sites are using the System, Solution(s) or Services in accordance with any relevant Quote then, in the event that there is any conflict or inconsistency between a term in an Quote, any term in these Master Terms and the EULA the following order of precedence shall apply, unless the parties expressly agree otherwise in writing:

22.3.1 Quote;

22.3.2 these Master Terms; and

22.3.3 the EULA.

22.4 Where the Customer, or any of its employees, are using the System to deliver/participate in a service commissioned by a different customer of Optum (i.e. where the Customer's employees are pharmacists inputting information into the System in respect of a service commissioned by a local CCG as opposed to the Customer itself), then the EULA shall apply to such use of the System to the exclusion of the Agreement.

22.5 Nothing in this clause 22 shall limit or exclude any liability for fraud.

23. ASSIGNMENT AND THIRD PARTY RIGHTS

23.1 The Customer shall not, without the prior written consent of Optum, assign, transfer, charge, mortgage, subcontract or deal in any other manner with all or any of its rights or obligations under the Agreement.

23.2 Optum may at any time assign, transfer, charge, mortgage, subcontract or deal in any other manner with all or any of its rights under this and may subcontract or delegate in any manner any or all of its obligations under the Agreement to any third party or agent.

23.3 Each party that has rights under the Agreement is acting on its own behalf and not for the benefit of another person.

23.4 Subject to clause 13.8, a person who is not a party to the Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of, or enjoy any benefit under, the Agreement. For the avoidance of doubt, the terms of the Agreement may be varied pursuant to clause 19 without reference to any third party.

24. NOTICES

24.1 Any notice required to be given under the Agreement shall be in writing and shall be delivered by hand or sent by pre-paid first-class post or recorded delivery post to the other party at such address as may have been notified by that party for such purposes. Notices may also be sent by email where agreed between the parties to such email address as may have been nominated by the relevant party. Emails to Optum should be sent for the attention of Legal Counsel to uk.contracts@optum.com

3. Service Levels

Optum shall use its reasonable endeavours to meet the target times set out below to resolve (including by way of a workaround) an issue, in accordance with the severity/priority level allocated to it by Optum, acting reasonably.

Severity Level	Description	Target Fix Time (Hours)	Examples

3	Incidents which cause minor business impact and affect non-critical functions. These would typically be Incidents which: - do not cause disruption of clinical or administrative services; and/or - leave functions available but restrict performance, causing inconvenience but not material disruption	<16 hours (Core Hours)	- Single Authorised User issues - Slow performance

Any period of time where the relevant information (including, the Minimum Data Set) has been requested by Optum, but not supplied by the Customer shall not be taken into account when calculating the time taken to fix the relevant incident, nor the Availability of the System.

4. Availability

Optum will use its reasonable endeavours to achieve target availability for the Services and the System of 99.5% measured across each Service Period.

The availability is calculated as follows:

5. Planned Maintenance

Optum shall endeavour to provide (whether by posting an announcement on the System or otherwise) a minimum of 5 Business Days' notice of any planned maintenance to the Customer (and the Customer shall notify all Authorised Users) which will disrupt the Service during the hours of 08:00 and 20:00 on any Business Day. Optum shall endeavour to carry out any planned maintenance outside of these hours.

6. Measuring Service Levels and Availability

Optum shall not be liable to the Customer whatsoever in the event that it is prevented from performing all or any of its obligations under this Schedule 1 as a consequence of:

- (i) any Customer Cause;
- (ii) the Customer's or any of its employees, agents or sub-contractor's actions or omissions; and/or
- (iii) any failure on the Customer's part to provide Optum with such reasonable assistance as it may require to fulfil its obligations.
